Stephanie called the meeting to order. The minutes from last meeting were approved.

We discussed the Scholarship Committee and Robin agreed to head the committee.

Sherry Stoneman gave a brief update regarding Farm 2 Table and TW8K. Contracts had been approved and signed. During the discussion that followed it was suggested that the charity for Farm2Table might be Eliada and FEAST and possibly Buncombe County Literary Council and/or Read to Succeed for TW8K.

Stephanie gave an update on board member job descriptions. She also said she would put documents from this meeting and other ATC documents...Farm2Table/TW8K info, Board Handbook, Minutes, etc., so we would have them all in one place. She will email this to board members. (And has indeed done so.)

Bill Finley mentioned that lots of membership renewals will be due April 30th and reminder emails will be going out. Long discussion touching on how to get and keep members, why we only see a quarter to half of members at races, do we need more incentives for membership, etc.

We did not set a date for the next meeting. Meeting adjourned.
